

A pattern I love

Dazzle Ships [used to camouflage ships in WWI]

I find inspiration in

History, nature, and my friends

The getaway that inspires me most

Hawaii

Big break

Working for Rohleder

If I wasn't a designer, I would be

A physicist

Guilty pleasure

Collecting antique textiles

Bad habit

Sci-Fi

I own too many

Chairs

My style is

Eclectic, rooted in the future of the past

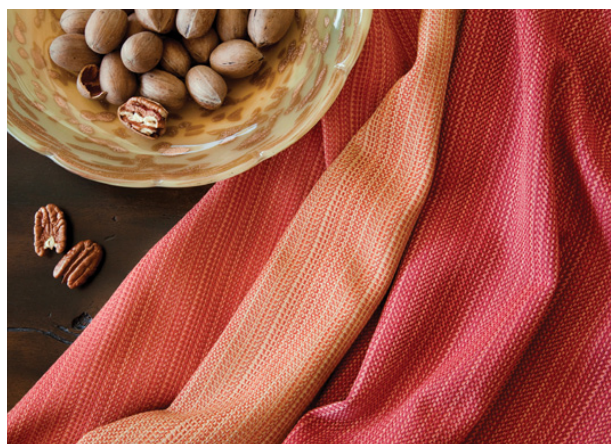

Scott Bodenner

Chella Textiles
Brooklyn, New York
www.chellatextiles.com

My favorite place to be

My studio [view from the studio shown]

Recently completed collections

Multiple collections for Chella Textiles: San Marco, a Fortuny-like damask made in sustainable polyolefin inspired by Venice; Rialto, a deep collection of sophisticated solids; **Murano Strie**, a color line of a sublime dobby on a strie warp; and a black-and-white **retrospective collection**

Music I'm listening to

The Wild Beasts, LCD Soundsystem, and always Gary Numan and **Kraftwerk**, all on vinyl LPs

Restaurant for design

Atomium in Brussels

A perfect day

Includes yoga, a raw beet and a hamburger, body surfing, and a bunch of friends
